B04-BLAIR

Marcy had worked hard on that list, spending a great deal of time in selecting a dozen works of classic literature she deemed vitally important.

HOT BOOK

“Ha-ha-ha,” Marcy Gant muttered to herself. “Real funny, guys . . .”

The first-year English teacher at Crestview Community College sighed heavily and rubbed her tired eyes. It had been a long night, long and exceedingly frustrating. Two of her students had failed to follow directions, writing their book reports on a title that wasn’t even on the list she had handed out at the beginning of the semester.

Marcy had worked hard on that list, spending a great deal of time in selecting a dozen works of classic literature she deemed vitally important.

Peter Brooks and Rod Reynolds couldn’t have cared less. Those two clowns had written their reports on the same book. And not just any book. Oh no. They had deliberately chosen a worthless piece of trash. XXXtra Credit sounded like pure smut. Marcy pictured one of those slender paperbacks you could buy at a sleazy adult bookstore.

If, she thought, the book even exists. It was entirely possible that the title was a pure fabrication, an elaborate joke. Well, Marcy didn’t think it was funny, not one damned bit. Still, she was curious about XXXtra Credit, so much so that she looked it up on the internet.

The prankster duo hadn’t fabricated the book after all. She found a used copy selling for thirty bucks. Steep, Marcy

reasoned, for a crummy little paperback published in 1978. She wondered how Peter and Rod had acquired a copy. Not that it mattered.

Break time, Marcy thought. She got up from her desk and stretched. In the kitchen she boiled water for a relaxing cup of chamomile tea. Sitting in her tiny breakfast nook, she sipped the tea contemplatively. Halfway through her second cup, she experienced a change of heart. Punishing Peter and Rod for their outrageous stunt would be counterproductive.

Despite its elevated price, Marcy purchased the book. She had to read the thing in order to properly grade Peter’s and Rod’s paper. And that’s exactly what she intended to do. Most teachers would have flunked them for failing to follow directions.

But Marcy wasn’t most teachers.

She constantly encouraged her students to be creative and think outside the box. Peter and Rod had done just that. Now it was Marcy’s turn to do the same. Any educator worth their salt would tell you that teachers learn as much, if not more, from their students as their students learn from them.

Marcy was nothing if not eager to learn . . .

It took a whole week before the book appeared in her

mailbox. Tired from a long day of teaching followed by a lengthy faculty meeting, she set the parcel on the kitchen counter and took a long and relaxing bath. Having grabbed Chinese takeout on the way home, Marcy ate on the sofa while watching her favorite sitcom before digging into XXXtra Credit.

The book had seen better days, its cover torn, spine creased, pages yellowed and mildly redolent of cigarette smoke. But this didn't detract from Marcy's reading experience. Accustomed to the plodding pace of most highbrow literature, she breezed through the first five chapters in half an hour. The story was engaging. More importantly, it was the hottest thing she had ever read in her life.

Curled on the sofa in her panties and a replica jersey of her favorite professional football team, she found herself getting turned on in a big way. One hand holding the book, she slid the other beneath the waistband of her panties.

Reading a scorching sex scene involving a young female professor and her two male students, Marcy couldn't help but think about Peter and Rod. She wondered if their cocks were as big as the ones in the book. There's only one way to find out, she told herself. Until then . . .

Marcy's pussy was nice and wet. She lifted her knees and spread her legs. The turned-on teacher moved her hand faster and rubbing her slick crevice with expert skill.

The sex scene reached its inevitable conclusion. A good stopping point, Marcy told herself. She marked her spot and placed the book on the end table. Then she lifted her hips and peeled her panties with both hands. She padded to the bedroom, removing her football jersey as she crossed the threshold.

Marcy opened the nightstand drawer and retrieved her dildo. She lay there on the bed, head propped on a pillow, thighs parted, moving the toy's bulbous glans up and down her pretty pink gash. The sex scenes she had read were still fresh in her mind, prompting her to dispense with the preliminaries and plunge the thick phallus into the hot depths of her cunt.

She cried out loudly as her pussy lips stretched to accommodate the sheer size of the thing. She hadn't been in a relationship since her final year of graduate school. Her boyfriend at the time had a big dick, but nothing like this. The dildo was a monster, an absolute beast, and she loved every rigid inch. Pumping her hand frenziedly, she fucked herself good and proper; this while using her other hand to play with her titties.

Marcy was proud of her jugs. They weren't the biggest, but they were firm and nicely shaped. Her ex had loved to come all over them after fucking her senseless. Now, cramming the dildo in her cooze and twisting her turgid nipples, she imagined two cocks exploding over her chest.

Peter's and Rod's.

Two ballbags full.

At the same time . . .

"Aaaaaahhhhhhhhhhh!" Marcy hollered as orgasmic spasms, wave after wondrous wave, seized her body.

She slept well, awakening the following morning feeling refreshed and energized. Ready to tackle the day, she thought while driving to school, ready to sit down with

Peter and Rod and have a thought-provoking discussion about their unconventional book reports.

Marcy was eager to hear what they had to say. Thankfully, she didn't have to wait long as Peter and Rod were in her nine o'clock section of English 101. As soon as they entered the classroom, she asked them to remain after class, explaining that she wanted to chat about their book reports.

"Sure thing, Ms. Gant," Peter said.

"You bet," added Rod.

Cooler than a cucumber, Marcy thought. Both of them. Of course, they had to know the jig was up. Clearly, they didn't care whether they passed or failed her class. Their stunt proved that.

Peter and Rod were more interested in clowning around than succeeding academically. But they were in for a big surprise. And maybe even a passing grade, just so long as they could talk intelligently about the value of a book like XXXtra Credit.

The after-class, behind closed doors powwow exceeded Marcy's expectations. Peter and Rod took the whole thing seriously. She remained silent throughout, listening to their ideas with rapt attention.

"That list you gave us," Peter explained, "was the pits. I tried to read a few of those books but I couldn't stay

awake.”

“Same here,” Rod remarked.

“XXXtra Credit wasn’t on the list,” Peter stated the obvious, “but we figured a dirty book would be better than no book at all . . .”

Rod said, “And we wrote the paper just like you told us, Ms. Gant. I mean, we supported our thesis statements with passages from the text.”

“Well,” Marcy said after she had heard enough to reach

Peter pounded her with merciless jabs, fucking her pussy while his pal fucked her face. Her cheek pressed to the table, her lips stretched around Rod’s thrusting prick, she delighted in the three-way encounter. It was her first. Marcy silently chastised herself for waiting until she was in her late twenties to experience this kind of sex.

“You’re gonna’ love this,” Peter told Rod. “She’s tight as fuck.”

“Her mouth ain’t so bad either,” Rod replied. “Our

a decision, “I’m impressed.”

Peter smiled hopefully. “We passed?”

“With flying colors,” Marcy told them.

Peter pumped his fist. “Hell yeah.”

Rod grinned. “Fantastic.”

His grin became a stupefied gape when Marcy got up from the seminar table and started to unbutton her blouse.

“You two picked a great book,” she told them. “It filled my head with all kinds of dirty ideas . . .”

Peter and Rod were too stunned to speak.

“ . . . like having two cocks at the same time.”

No sooner had the words left her mouth than Peter and Rod shot out of their seats and got undressed. The last article of clothing hit the floor as a topless Marcy, her skirt hiked above her slender hips, deposited her tight tush atop the table. She leaned back on her elbows and spread her legs.

Rod seemed more than happy to let Peter go first, especially when Marcy licked her lips and told him to stick his big dick in her mouth. He complied, grabbing a handful of her hair while ramming his rod into her hungry maw. Meanwhile, Peter had pushed her panties out of the way and mounted. Rod’s friend had a sizable cock, not as big as her trusty dildo, but certainly big enough to hit all the right spots.

English teacher is a regular cock gobbler.”

Marcy loved their filthy banter, loved the way they talked about her as if she wasn’t even there. As a teacher, she was always the leader, the boss. It was nice to take a passive role, to let her students dictate the course of events as they did with her what they damn well pleased.

Peter and Rod pulled out at the same time. Then they switched places. Now Marcy gagged as the former shoved his schlong down her throat; his glans tapped her tonsils as Rod fucked her in earnest. She loved the taste of her pussy on Peter. Moaning appreciatively, her mouth stuffed with his cock, she heard Rod grunt a split second before she felt him withdraw . . .

Peter elicited a grunt of his own. Unlike his classmate, he didn’t pull out before shooting his wad. Marcy swallowed his cum, ingesting the last drops as Rod popped off all over her tits.

A week passed before she remembered to ask them where they had gotten their copy of XXXtra Credit.

“We stole it,” Peter confessed.

“From that used bookstore across the street from the public library,” Rod told her. “Peter started up a conversation with the old geezer behind the counter, and I snatched the thing easy as you please.”

Hot book, Marcy thought, in more ways than one!

BLAIR-NTS-09

It was a strange sensation, but I had to admit it was kind of a turn on seeing all that bare skin on display.

My girlfriend, Jenna, and I had been talking about trying out a nudist resort for months. I was curious to see what it would be like to let it all hang out, so to speak. We first made our way to the pool area, grabbing a couple of lounge chairs and spreading out our towels. I glanced around. It was a strange sensation, but I had to admit it was kind of a turn on seeing all that bare skin on display.

Jenna caught my eye and smiled. Moving to sit on the edge of my chair, she squeezed my hand in hers. Before I could respond, she was pulling me into a kiss. Her tongue delved into my mouth while my hands roamed over her naked back. Jenna's small, perky tits pressed against my chest and I could feel myself starting to get hard. Nothing held back my twitching cock as it grew along my thigh. Jenna pulled back and grinned, reaching down to give my dick a teasing squeeze.

"It's okay, baby. It's totally normal to be turned on in a place like this." I knew I had no reason to be so self-conscious, but it still felt a bit strange. Jenna sensed my hesitation and leaned in to whisper, "just relax. Everyone here is in the same boat. No one is

going to judge you." Her warm breath tickled my ear. Feeling a bit better, I let myself melt into another heated kiss with her. Suddenly, I felt her shifting to straddle my lap. I groaned into her mouth as I felt the slick heat of her bare pussy pressing against my hard cock. She was already so wet that I could feel it dripping down onto my thick shaft.

When we broke the kiss, both of us panting softly, I noticed an audience had formed. Out of the corner of my eye, I saw several people openly staring at us, watching with blatant interest as Jenna writhed on my lap. There was a fleeting moment of panic where I wondered if we should stop, but Jenna just looked over her shoulder and smirked at them. She winked at the onlookers.

"Don't worry about them, I think they like the show. It's kind of a turn on, isn't it? Knowing they get to see how crazy you make me?" My cock twitched against her, speaking for me. Eager for more, Jenna lifted herself up and slid my cock straight into her soaking wet pussy. We both moaned at the sudden intrusion. Goosebumps rose along my body and I couldn't tell if they were from feeling Jenna or the

eyes watching me take her. On every upward stroke, Jenna stopped with only the tip of my cock left inside her. Then she slammed down, taking me all the way to the base.

“Oh fuck yes,” I groaned, my head falling back against the lounge chair. Riding me hard and fast, the wet slapping of our bodies only grew louder. My hands settled at her waist to keep her steady and to pull her back down against myself when I lifted my hips to meet hers. Biting her lip, Jenna glanced over her shoulder again. She shivered under the heated gazes of our spectators.

“I love being watched while you fuck me. It makes me so fucking wet.” I groaned in response, my fingers digging into her soft skin. Bucking up into her tight hole, I began to sense my orgasm approaching. I knew how to keep myself right on the edge even as my balls drew up and my legs started trembling. Jenna knew I was teetering and at the last second, she pulled up off my cock and let it slip out. But it was too late for me. My cock was throbbing as I shot my load all over the lounge chair beneath us. Thick ropes of white splattered across the dark

fabric and seeped into it.

“Look at that big load,” Jenna looked back and winked at the people watching. Delicate fingers reached down and scooped up some of my cum. She played with it between her fingers, seeing the strings of white connect between her fingertips. After a moment, she brought them to her lips and sucked her fingers clean. Watching her moan in satisfaction, I almost managed to get hard again immediately.

I slumped back against the chair, panting and spent, as I watched Jenna clean off another rope of cum from her hand. She seemed even more confident than usual, just from sitting naked on my lap. It was as if the more people stared at her, the more she knew she deserved to be the center of their attention. Rather than feeling possessive, I realized I wanted to show off my girlfriend more than ever before. After all, she was the star of the show and had everyone watching her salivating at the mouth. And the rest of that weekend, I did just that.
